Please Note:

To complete your Awning Specifier's Guide request, a copy of your company letterhead must be on file. If you are certain that a copy of your letterhead is already on file with Steel Stitch, check "Yes", below. If not, or you are not certain, check "No" and be sure to include a copy with your faxed or mailed submission.

Yes - I believe that Steel Stitch already has a copy of my company letterhead on file.
No - I'm not sure if Steel Stitch has a copy of my company's letterhead on file. I will be including it with my submission.
